

BEFORE THE
NORTH CAROLINA BOARD OF LICENSED PROFESSIONAL COUNSELORS

In Re:)
) CONSENT ORDER
ALIDA MASON, LPC)
RESPONDENT)

Respondent self reported to the North Carolina Board of Licensed Professional Counselors, that she had undergone an investigation by the North Carolina Social Work Certification and Licensure Board and was under a consent order with that Board, and that the Board found that the conduct which gave rise to the consent order would constitute grounds for the North Carolina Board of Licensed Professional Counselors to take action had the complaint been filed with the Board. The Board also finds that the Social Work Licensure Board order addresses the issues and provides remediation for the Respondent. Respondent does not admit to any violation of Statute or Code of rules. Respondent has agreed that it would serve the ends of justice that a Consent Order be entered which will resolve this matter, and to that end, with the consent of all parties, the Board hereby enters the following Order:

IT IS, BY CONSENT, HEREBY ORDERED, ADJUDGED AND DECREED;

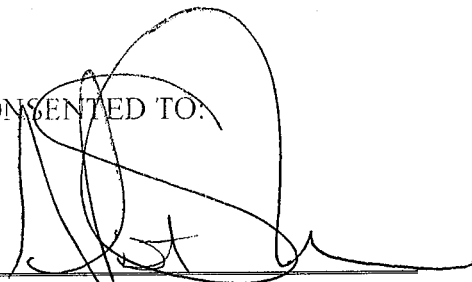

1. Respondent can continue to provide counseling services, but must do so under the following terms and conditions:
2. Respondent will be abide by the Social Work Board consent order dated October 10, 2008.
3. Respondent's status will be listed as "probationary" on the NCBLPC website for the period of the Social Work Board consent order, which is to be two years from October 10, 2008.

4. In addition to the terms of the Social Work Board consent order, Respondent will complete 6 hours of continuing education in billing practices within the next 12 months, and submit proof of completion to the Board. This 6 hours is in addition to the hours needed for renewal.

5. Respondent will keep the NCBLPC updated on any modifications or notices of violations of the Social Work Board consent order.

This 22 day of Dec 2009.
